Dear Visiting Member

## **SAHPA Foreign Temporary Membership**

Welcome to South Africa. We wish you a wonderful stay and good flying.

*It is a legal requirement that a visiting pilot has to have a SAHPA temporary Membership. Flying without the SAHPA temporary membership is illegal, and could impact on insurances held by the pilot. The membership is valid for 2 months.*

## **Radio Licence**

*To use the designated frequencies in South Africa, one has to have a licence, which SAHPA is empowered to issue.*

## **Third party and site insurance**

Although it is acknowledged that most pilots have valid third party insurance from their country of origin, the insurers have as yet not shown willingness to cover visiting pilots with the site insurances required by land owners without the third party insurance also being paid up. It is a group insurance.
