### Safety and Emergency

#### If you witness an accident from the air...

- report it succinctly on the safety channel, repeat if no response
- note the location
- note the wing colour
- don't land unless you are 100% sure it's safe to do so

#### ...on the ground

- call 111 if there is a serious injury or unconscious pilot
- report it succinctly on the safety channel, repeat if no response
- gather information about what happened
- note the location
- call Johnny and/or Comp Phone
- Administer first aid and wait with pilot
- Keep your radio on. Stay in touch with us until help arrives.

#### ...If **you** have an accident or tree landing

- Report on the safety channel, repeat if no response
- Do **not** unclip and try to climb down unless you are <1m from the ground
- Chill – wait for help – keep in touch
