RETRIEVE

- Explanation

The retrieve system is based on the same principle as the transport to launch in the morning. The system can only function if you are disciplined about your communication with the retrieve officers and/or drivers!

- Limitations

The organized retrieve is limited to main tarmac roads along the task course. If you land in a rugged area, it is your responsibility to make it to a main road.

- Retrieve communication

Once landed pilot should send a private (not group) message via SMS or Whatsapp to Retrieve Officer. The text should state „Landed safe”. Another message specifying the need for
