Free Flyers won't be allowed to take off from the official launch area 60 minutes before the opening of the window and the 60 minutes after window closing time, except with the permission of the Meet Director.

19 - Scoring

The PWC formula used during the 2019 PWC Super Final will be used, along with Compcheck scoring software.

Scoring formula parameters will be published at the web site and printed on the information boards.

The parameters to be validated at the first Team Leader briefing.

- Nominal launch: (default value = 96%).
- Nominal distance: 50 km
- Minimum distance: 3 km
- Nominal goal: 30%
- Nominal time: 1:30 a.m.

The GPS map datum is WGS 84 and the coordinate format to be used is UTM.

The primary source of scoring is GPS logs received from the CIVL Flymaster tracking System.

All other instruments that pilot may have (maximum of two) are considered as backups.

Those instruments must comply with the CIVL accepted instruments list, published on the CIVL web site at <https://www.fai.org/page/civil-xc-instrument-accepteda>

It is at the discretion of the Meet Director to allow further units to be presented as a source of the track logs.

Stopped task

As per Section 7A 3.5 and 7 F XC scoring (CIVL GAP) 12.3 – 5.7

- Announcement: the Meet or the Safety Director will announce stopped task and stop time on the pilots' safety frequency. In addition, this stopped task and stop time may be notified by other ways (Telegram, team frequencies, live trackers...).
- Minimum time for scoring: 45 minutes.
- Scored back time: 5 minutes.
- Altitude Bonus: glide ratio is 4.

All altitude values used for these calculations are barometric altitude.

20 - Live-trackers

The organization will provide to all pilots live trackers. Live-trackers are essential for safety and retrieve. They will also be used as the primary source for scoring and to achieve significant media impact.

Every morning, each pilot must pick up his own live-tracker. Picking it up is considered as registering for flying.

Pilots must keep them during the flight, always turned on. They must give them back at the headquarters immediately after they have been retrieved.

Pilots or team leaders thinking that a live-tracker is not working properly must contact the Meet Director, Safety Director or Live-Tracker Manager without delay.

In case of loss or damage of a live-tracker, the pilot will be asked for a 250€ compensation.

21 - Complaints and protests

As per General Section and Section 7A – Chapter 7.

If provisional results are published before 22:00, the complaint deadline is 08:30 the next day.

If provisional results are published after 22:00, the complaint deadline is 11:00 the next day and at least 4 hours after the publication of the provisional results.

Complaint and protest deadlines are extended 24 hours if they are occurring on a rest day.

For the last two competition tasks, protests must be submitted within 1 hour after the result of the complaint is published at the headquarters.

The protest fee is 50€. It will be returned if the protest is upheld.
