Remember, the event is a Serial Class only competition. That means no CCC gliders, but EN-D's and below are allowed. We want to have a fun week where everyone feels like they have a chance of scoring well, regardless of what they fly.

All Pilots must hold the following:

- An FAI IPPI 5 licence (contact us in advance if you need one)
- An FAI Sporting Licence (Don't confuse this with an IPPI card)
- GPS which records a 3D track log,
- Medical/Travel insurance)
- Third party liability insurance

In addition, you must supply a copy of a Certificate of Airworthiness valid in the 2 years prior to the event start & a photo of the certification label in the wing (for wings less than 2 years old and with the manufacture date published in the wing, that is sufficient). You can upload this in Airtribune

All the above will be checked at registration

Also:

CANCELLATION BY YOU

Any pilots who cancels their registration will be given refunds as follows:

> Cancellation within 7 days of paying = 95% refund

or

> Cancellation date more than 30 days before competition start date* = 65% refund of entry price

> Cancellation date less than 30 days before comp start* = 0% refund of entry price

NOTE: If you are unable to attend due to virus travel restrictions, you can transfer your entry to the 2021 event, regardless of how short the notice.

Cancellations must be informed by email and the date at which the email is received will be used to calculate your refund.

Please be aware, refunds are not immediate. If we are busy in the main flying season then we only do admin 1 day per month. Your deposit and/or payment is NOT transferable. There is a strict selection process and you cannot bypass this by passing your payment to another pilot.
