Sponsorship team work!

If any of your sponsors would like high profile at our events or smaller profile support from ourselves, please let us know. Our sponsorship document can be found [here](#). We are working very hard with testing and measuring sponsorship success rates and your involvement would be fantastic for us all.

Bad weather programme

Should the weather be bad on the odd day here and there we would like to keep you altogether. We have an indoor hall we can use for lectures if you wish to promote your sponsors, flying business and talks about your flying area and services.
