

CALLING IN RESCUE

Assess Situation

Are you in an **urban situation**? E.g. in town LZ

If so, call 111 - ask for Ambulance

If not:

Activate Beacon

After beacon activation:

Call RCC NZ if possible to give more information

Specify it is an aviation accident

Let RCC know if you are responding to or
involved in an accident

Move towards accident site if safe to do so

If No Beacon

Call RCC NZ if you have cell reception

24-hr number 0508 ACCIDENT or 0508 222 433

Follow instructions in box above

If No Cell Reception

Your phone may still be able to make emergency
calls

Call 111 - ask for **POLICE**

Tell the Police you need Search and Rescue for a
downed aircraft (hang glider or paraglider)
