### SELECTION AND REQUIREMENTS

Maximum No of Pilots: **65**

Selection Criteria:

#### Registration Process 2023

**Pilots will be ranked for the competition as follows:**

British pilots will be ranked by date/time of registration.

Pilots of other nations will be ranked by their current WPRS position.

The Panel reserves the right to award places out of ranking order, and to award wildcards in any manner they please.

Until 60 days prior to the start of the event:

- 15% of places are reserved for female pilots .
- 15 places are reserved for Brazilian pilots, allocated by Wildcard, by the Brazilian NAC
- BHPA members will be offered places from 15th December, and will pay ☐250 GBP
- Other nationalities can pay from 29th December, and will pay ☐300 EUR

#### IMPORTANT:

- When you register for a competition, if you do not enter your 'correct' FAI and CIVL numbers, then you will not be ranked correctly.
- If you are a British pilot, your FAI number is your BHPA number. Your CIVL number you can look up with the link on the Registration page.
- When you register, you will be required to enter your 'FAI Sporting Licence Nationality'. This is not another nationality you happen to hold, nor is it where you were born, or where you currently live, but is the country that issued your Sporting Licence ('United Kingdom' for BHPA issued licences).

Once a competition is full, pilots will be added to a waiting list and then if a place becomes available it will be offered to the next highest ranked pilot on the list. The pilot will receive an email from us inviting them to pay their entry fee and will have 1 week to do so before the place is offered to the next highest ranked pilot on the list.
