#### Under Account Tab:

Under the Account tab in the SMS Message Configuration area, be sure to check the box "Include my latitude and longitude as text in the message". While under the Account tab you should also complete the following SOS customization:

### Emergency Contacts

In your inReach account, update your Primary Emergency Contact to be the event Retrieve Coordinator:

- Name: Anna Moroz
- Phone: +9716780938

Secondary Emergency Contact is the Meet Director

- Name: Matt Senior
- Phone: +13608886874

### SOS / Emergency Information

Update your Emergency information (under "Emergency Notes") to include the following message. This will allow meet personnel to obtain your information from inReach in the event that you have pressed the SOS button. Again, please copy and paste the following section into your device changing the appropriate personal information.

Pilot #31 Austin Cox, Ph 2064579717, is a participant in a paragliding event in Chelan, WA, USA. The Meet Director Matt Senior can be contacted at +13608886874.

Be sure to add any other information that emergency services might need: global rescue membership ID / contact info: [operations@globalrescue.com](mailto:operations@globalrescue.com), allergies, special medical instructions, etc,
