### SELECTION AND REQUIREMENTS

**Maximum No of Pilots: 130**

Selection Criteria:

#### **Registration Process 2026**

Your registration requires approval that you meet the minimum Pilot Entry Requirements for the British Paragliding Open Competitions 2026. Eligibility criteria can be found in the "British Cross Country Paragliding Competition Rules" as published on [pgcomps.org.uk](http://pgcomps.org.uk)

Approved pilots will be invited to pay for each competition according to their pilot rank (see below). Your place at a competition is not confirmed until we have received your payment for the competition. The Pilot Lists show the current status of your registration.

- BHPA members, with a British Sporting Licence, and Dutch pilots will be offered places before other nations\*
- Other nationalities will receive payment offers around 14 days later #
- 15% (20 places) are reserved for female pilots until 45 days before the start of the event.
- Up to 10 places are reserved for wildcards
- The organisers reserve the right to vary the above method at their discretion at all times

## FAI CIVL Category 2 Event PG/HG Cross Country

# The first 50% of the places are selected according to WPRS. Any remaining places will be selected according to Time Registered. The above selection criteria will be adhered to throughout. This ensures a high scoring event, and a healthy mix of pilot abilities.

Please press the green **Org CIVL** button on the top, right of the Participants page to see the correct order for selection/ British pilots will be invited to pay first in ranked order, followed by pilots of other nations one week later, also in ranked order.

### INCLUDED

The payment will get you:

- Daily transport to launch for all tasks
- Retrieves daily
- Daily lunch packs
- Trackers, for safety and scoring
- Typical tasking/scoring services
- T-shirt or other souvenir

**IMPORTANT:** When you register for a competition, if you do not enter your 'correct' CIVL number then you will not be ranked correctly. Your CIVL number you can look up with the link on the Registration page. Also when you register you will be required to enter your 'FAI Sporting Licence Nationality'. This is not another nationality you happen to hold, nor is it where you were born, or where you currently live, but is the country that issued your Sporting Licence ('United Kingdom' for BHPA issued licences).

Once a competition is full, pilots will be added to a waiting list and then if a place becomes available it will be offered to the next highest ranked pilot on the list. The pilot will receive an email from us inviting them to pay their entry fee and will have 1 week to do so before the place is offered to the next highest ranked pilot on the list.
