#### SELECTION

Selection Criteria for the Nordic Open:

The selection is in accordance with FAI section 7 rules. The organizing country is Denmark. The other Nordic countries are considered "other nations" under the section 7 rules. This implies that if all positions of the comp are filled with Nordic pilots, the section 7 rules have still been upheld. There is no other quota for other nationalities outside of the Nordic Countries.

1. Starting from February, the first 2 weeks of selection are open ONLY to the top 28 pilots from each Nordic nation, according to WPRS as of 01.FEB.2026 5 of the 28 spaces are reserved for female competitors. The female spots will be allocated to men for a total of 28 if they are not filled.

**The pilots are given 7 days to make payment for their entry – and will then revert to the second round of selection if they fail to make payment**

2. Weeks 3 to 6 are then open for selection to **general Nordic country entries**, according to same WPRS. If Nordic pilots with 0 WPRS or equal points register, they will be ranked by time of registration.
